My dearest auntie Mary, These past 47 years I have known you since I was 5 years old, you have been a blessing in my life, you have taught me many things growing up... You taught me love, compassion and respect. During the years we also shared many wonderful moments and from all these things I am very thankful for you. I want you to know aunt Mary you may be gone but you will never be forgotten, you have a special spot in my heart where you will stay. My deepest sympathy to all of the family, and my prayers to each of you that the good Lord continues to guide these days coming forward
