I played against Braxton in the old HAAL league and every time I saw him off the field it was always his infectious smile I remember. I watched him transfer to Moreau and even become more effective on the field and off. I have great memories of Braxton and was sad to hear today that he has left us. My prayers go out to his family. Not to many like Braxton Banks! God Bless you brother. Andy Smith SLZ 86

I met BB and his Mom Priscilla and Sister Nicole in Church in my days in Hayward CA. We understand human suffering today no better than the ancients did in the book of Job, but in the meantime Our Lord Jesus Christ came among men, partook of our sufferings, correctly faced the temptations humans face, and came that we might have life. There were some hurdles here and there in Braxton's path through schools in Hayward and then to ND. Braxton took care that he had serious classwork at ND. I remember our preacher saying that Christianity was was Braxton's most admirable quality. I remember talking to Priscilla (and to the preacher's inlaws) about our Nebraska experiences (Grand Island, Gothenburg, and Custer County); it was interesting to reflect on this heritage in Hayward, CA.
