## **VENANCIO DIEL**

SEP 16, 1946 - AUG 19, 2016

**V**enancio B. Diel was born in EB Magalona, Negros Occidental, Phillipines. Venancio “Benny” Diel, 69, died Friday August 19, 2016 at Kaiser Permanente Medical Center in San Leandro following his battle with cancer. He leaves his wife of 39 years, Imelda Diel; his children Elaine Diel and Christopher Diel; his sisters Merle Molina and Celia Wells; his brothers Junie Diel and Hermo Diel; many nieces and nephews and many close family and friends around the world as well as his faithful dogs Oreo and Pedro. Benny was a compassionate man. He cared for the well being of the others before himself. He helped his nieces and nephews in the Philippines who had very little by sending tuition money, clothes and supplies back home. Benny was a loving husband to his wife Imelda. Their marriage really defined the term “for better or for worse.” They filled their love with laughter, happiness and joy. Their love for each other was unconditional. He will be missed by all his family and loved ones.

Benny ,you will be missed by my husband Nene ( Jesus Salaverria ) . Not only him but me also. There's always warmth whenever we go to Hayward with you around, feeling at home with your kind heart and closeness to us whenever we visit and had a sleep over at your house to see Imelda ,you ,Mimi and Chris. We feel you are a brother to us ,treating us your own family. I feel at home being there with you ,cooking for us and like being excited when you know we will be coming to Hayward from Sacramento. So worried when I started seeing you with those swelling of your lower extremities ,and your losing too much weight. Seeing you sick and depriving interest in your usual day to day activities makes me worry secretly. You are not the Benny we used to know,emaciated and deprived of energy ,much more not the non stop talker Benny. Seeing you suffer with abdominal fluid retention, and your desire to eat but can't make it due to your dreaded illness ( Cancer of the Liver ) by looking at you makes us sick,. We do not like you to go.....but seeing you with that situation hurts us more. The only consolation we have now that you are at peace. Benny, just to let you know that there is a big difference in your house at Hayward, in your sudden absence. I can feel it, even the dogs Pedro & Oreo misses you. Nene miss you too I can sensed it ,he is not vocal of his feelings . My eyes with tears writing this , good bye to you Benny ,it hurts but see you later in the next life. Nene and I lose a Brother like You . So glad you rested from this Worldly pain! You are Gone but not Forgotten ! Surely You will be missed.
