Words can't describe how I am feeling. Louise was a third daughter to me. I used to tell Dardi I was going to take her on my income tax, because she was at my house more than hers. Prayers for the family. Love you Louise Jeannine Garcia...rip

I was so sad to hear that Louise passed. I've known her since middle school and she was just a crack up. Definitely have some great memories of those times. It's always hard to hear of an old friend passing. Condolences to her family. May you find peace.

I met Louise in 8th grade and have countless fun memories of her from our softball days and high school. Definitely gone way too soon – may she rest in peace.

I remember the sleepovers we use to have at each others houses, walking to 7-11 during the summer to buy Slurpees or Caspers for a hot dog. She was one of the "tough" girls on our block who stood up to the boys and was right in the middle playing street football and knocking sense into one of them. Louise was a great softball player and I enjoyed playing together as well as against each other. Years later when I would see her she always had the same smile on her face and we talked as if never missing a beat. Rest peacefully my old friend!
