Growing up as a little boy I loved going over to you and Grandpa's. Gramp and his little dances and crazy sneezes lol. You used to rub my back and cook the best dinners! I miss Melrose back in those days. You both would try and make most of my baseball games. Thank you for supporting me growing up. I miss you both deeply. I hope your looking down with a smile knowing I'm trying to make things right in my life and be the best dad for my lil boy. Anthony is such a cute Lil boy and smart too! You both would love him so much. Hooe you and Gramp our having a blast gram. Love you too. God bless you both for all of eternity. I give Anthony tickles now like u did.....love u. -Jamie

Growing up with your mom and dad in my life was truly a blessing. I remember when I was a kid going with my parents to visit at their house. It was always a fun time with great memories that will last a lifetime. God bless you all.
