Hey Bill. Today is five years since you left this earth. I often think about you and all those precious memories we made up on the farm. Jumping around in the hay, tubing in the "big river" riding our pony and using the goose shed as our jail when we would play "Billy the Kid." Great memories Bill. See you on the other side. L

I am sorry that I was not aware of the loss of Bill Heering. I have know Bill since 2008 when he first bought the tax software that I was selling. I will remember the great conversations and the meetings in Las Vegas with this kind wonderful man. My prayers and well wishes go out to his family. Keith Wall (TaxWorks/Taxware)

I remember one Christmas when Santa Claus came to our house, but no sled or reindeer I thought that was odd. But he had what I thought was the important things presents. I look back and realize he was the IMPORTANT thing, not the gifts. I will never forget BILL for a special gift he gave me that night. Thank you...always in my HEART....J.R.

He made the best hamburgers, onions on the inside and burnt to a crisp on the outside ... and somehow still half raw in the middle.
