I worked at Western Electric for 20 years. I knew who Sonny was but I really didn't know him back then. We would pass each other in the aisle and just say "hi". However in the last 6 or 7 years we got to know each other very well thanks to the annual Western Electric picnic. We got to be such good friends we would go to lunch together once a month and he would come by our house quite often. My dog Zero just loved his uncle Sonny. We all loved Sonny. We became very close friends and I am going to miss him so much. I loved to tease him, then he would chew me out, all in fun of course. He was one of a kind and me, my wife Stacey and Zero are going to miss him sooooo much! Rest in peace my good friend!
