My grandfather was and is one of the most amazing men that has walked this earth. When I was young he showed me how to work, doing everything you can to the best of your ability, not for praise but to bless others. When I got older, even though you were sick and hurting you showed me how to have a great heart. To love on all those around you, to carry on with good spirit even when things are far from perfect and to have faith in the Lord that anyone can see shining from miles away. I love you Grandpa and I hope I can be a man of faith, selflessness and strength like you were

Dad will be truly missed! Although I'm his daughter in law he never treated me less than a daughter. Mom and dad welcomed me into their family and have shown me so much love over the years. I'am forever grateful and thankful for his endless support and encouragement he gave me! He had a way of making me feel special and it was such an honor to have known him and be a part of his life! I love that you're with your Heavenly Father with no more sickness and no more pain! I love you and will rejoice with you in Heaven one day! Felicia
