I would like to express my sympathy to Aracely's dear family and friends. These Scriptures have brought me comfort after the loss of my loved one, and I hope that they will help you to get through this difficult period. " With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Revelation 21:3,4. Jehovah God cares about our grieving and wants to help us.

Aracely lived with my family when I was a little girl. She and I played many, many games of jacks on the front porch; and when she and my uncle Mincho married I remember crying because I had lost my jacks partner! But of course I will remember her as much more than a playmate to a little girl — Aracely was a sweet, always kind, gentle, hard-working, dignified lady. La queremos mucho, Aracely, y nos hara mucha falta. Descanse ahi donde no hay ninguna clase de preocupacion o dolor. Ana Vergara Lencioni

my Tia Yaya was so very special to me and my family. Since my mom passed away almost 50 years ago, she had filled the emptiness and was the only link to my mom, and the closest Bobby and Katie had to a grandmother. I am consoled knowing she and Tio Mincho, my mom and my dad, along with her sisters are altogether once again, and reunited with others who have gone before.

Ara was very special to me. She was like a bonus grandma. She had a great sense of humor and made everything fun. Ara definitely knew her way around the kitchen and everyone who knew her would benefit from it. I will miss her very much. I know she is now reunited with Mincho, my grandma and the rest of our family in Spirit.
