Nancy and I met in Alanon some 10 years ago. She was a wonderful friend, always cheerful, caring, supportive and kind to everyone. She worked for me in my business for about a year in about 2006-2007. We laughed a lot and she always cheered me up. She helped me a lot, always reliable and working diligently. She once told me I was the best boss she ever had. Thanks again for that, Nancy. I always looked at her and Lyndon's story as one of the (few) successful ones with a happy ending, one day at a time. I moved from Fremont in 2009 and we lost touch after that. I regret that. It is a reminder not to let life get you so wrapped up and "busy" that you lose connection with friends and loved ones. It is so easy to do. In the end, they are all that matter – the ones we loved and the ones who loved us. I wish I could have said good-bye. I'm sorry for your loss, Lyndon, and the rest of the family, I am sure you miss her terribly. But she's there, on the other side, where we'll all be someday. Together again. My phone number is 510-396-1104 and my email is gavaile@sbcglobal.net if anyone wants to contact me... In loving memory... Gretchen Vail .

I met Nancy & Lyndin thru AA when I moved from San Diego 1991. I got to know them very well from our weekly Thursday dinners. Nancy was so gentle and kind with such a big heart. I will miss her dearly. She has helped so many in so many ways. Little does Nancy know that even in her last days she helped me. It was because of you, Nancy, that Lyndin reached out when I needed it most. In his despair, Lyndin decided to ?get out of himself? by calling me in my hour of despair. How did he know I was hurting so much? It?s funny how our Higher Power works. I?m back to meetings now after a long drought. Dear beloved Nancy, I take solace in knowing that you are free of suffering, resting peacefully in the comforting Hands of God. Thank you both for being in my life. Love, Doug B.

Dear Lyndin and Family, My sincerest sympathies and condolences on the loss of your wife, mother, and grandmother. I so remember all of our get togethers during our Engelbert travels. Nancy, Chris, Mary, and I would always gather at Chris's daughters when in Reno. We had the best times together. Nancy was a sweetheart and she loved her family so very much. She was so proud of Cameron. We'd chat occasionally on the phone and in emails, and reminisce about the good ol' days. We didn't chat much in the last year. Not because I didn't want to, but because I wanted her to have her private time with her family. She was never far from my thoughts. She knew time was short. I'll forever remember her in my heart. May you always remember the special times you shared with her and may those memories help heal you during this time of sorrow. My prayers are with all of you. I will miss her, my forever Engelbert friend. May God Bless you, and Nancy, may you rest in eternal peace. Toni Cerniglia Sacramento, CA
