Uncle Ray will truly be missed. He always knew how to make an entrance. I'd hear him before even seeing him at family parties. Even though I got older, he never stopped calling me Juniebear. Our loss is Heaven's gain and I'm sure he is up there wearing his Chicago Bulls jersey playing mahjong and still making everyone laugh. We are all so blessed to have had such an amazing person in our lives. My thoughts and prayers go out to family, friends, and those whose lives he has touched with his charismatic personality. Rest in Paradise Uncle Ray! Love and miss you very much.##imported-begin##June Kathleen##imported-end##

Uncle Ray was the life of the party, which from now on, we can say it'll never be the same. My memories of him are mostly funny. 10-27-2012 was the last time I saw him (at Apu's and October birthday celebrant's lunch.) "Hey girl, happy belated bday!!! How old are you now, 16 right?!" With my beaming smile, I said, Uncle Ray, I knew I've always liked you! ?? Laughter and cheer was what he was known for. Heaven just got a little louder...in a fun way. ?? ILY, Uncle "Raymond" you are and will be missed.##imported-begin##Jennifer Rivera##imported-end##
