Alfred was my oldest friend having known each other since the 2nd grade at Pullman school in Richmond. We had a lot of adventures together including the Boy Scouts. He was one of the smartest men I have ever known. We were in College Prep classes together in High School. I regretfully did not call him on his birthday which is 13 days before mine in May. When I finally did call I heard the shocking and sad news. I will never forget Alfred Howard. Syria Berry###imported-begin##Syria Berry###imported-end##

I'll miss Al's singing with the male chorus, he was a gifted Baritone and Soprano. My favorite song was Silent Night in Soprano, when he sang that song in Soprano he would always get a standing ovation. I will miss his warm smile in greeting his christian bro. and sis. Prayer to the entire family. Rest in Peace.##imported-begin##Donna OwensWilliams##imported-end##

So saddened to hear about your loss. I know you will miss you deeply. I remember when Alfred had a paper route in Richmond. He must have been Around 14 or 15 and I was around 11.. He was throwing papers and my friend told me to kick is new bike. I was feeling a little pier pressure so I kicked and he told me to stop. I did it again. I didn't figure he would lay his bike down to chase me since it was new. To my surprise that is exactly what he did , threw the bike down after I kicked it for the 3 time. He chased me, but couldn't catch me. The moral of the story is , don't let pier pressure get you in trouble. God bless you and your family at this time.##imported-begin##Constance Guidry##imported-end##
