Dale was a very caring and loving man. He was not just my coworker but a kind and decent man. Our conversations at work could would and did range from happiness, sadness, our strengths and weaknesses. My sincerest condolences and prayers to his wife Charlotte and his children and grandchildren. He was and has always been missed at work and now that he has transitioned I know we definitely have another Angel watching over us 🙏❤️

Dale impressed others by his quiet, and generous personality. Also, his reverence toward God, even during difficult situations. The old things have passed away, and now he is resting in heaven with his family members that preceded him! Will miss you Dale, until we meet together in Heaven. Your cousins, Tom and Iva!

We will always remember Dale's kindness, especially when Corrie was little and he lead her to believe he was the tree on your folks side of the fence talking to her!!! Just one of many fond memories of this lovely man. Our love and condolences, Judy, Corrie and DarinStan
