# Regan Joseph Young

JUL 8, 1968 - JAN 3, 2023

**I**t is with great sadness that we announce the unexpected passing of Regan Joseph Young. At the young age of 54, Regan fought valiantly to overcome his recent diagnosis of acute leukemia. Regan was a loving son, husband, father, friend, and mentor. Regan was born in Phoenix, Arizona and grew up in Scottsdale. After he graduated with a Bachelors of Science degree in Mechanical Engineering from Arizona State University, he worked at General Motors in Arizona and Michigan. His ambitions led him to California where he worked for Applied Materials, Intuitive Surgical, and other entrepreneurial endeavors.

Regan was a warm, supportive, and hard-working man that was dedicated to his family. He always had a big smile on his face and brought a smile to others. Regan had a unique way of bringing people of all walks of life together and making lasting connections with those he met. He will always be remembered for his ability to solve problems, his sense of humor, love for the outdoors, thoughtfulness, light-heartedness, ambition, wit, and caring nature towards others. He is survived by his mother Pauline Young, his wife, Lisa and their two children Samantha and Justin, his older brother Allen, wife Jennifer and their three sons, Hayden, Rylan and Keyton, and his younger brother Jerry, wife Elaine, and their two children, Emily and Matthew.

Every time I saw him, he's always smiling and joyful. He's particularly proud of his two children. I can tell he's a great dad and husband. So sad that he's gone so soon. RIP Regan.

It's difficult to put into words how to describe what the impact of losing the magnificent presence that Regan provided. Not only was he a great husband, father, friend and advisor, he was hard working, smart and fun to be around. We took every opportunity to have the family over for dinner and dog sit for them when they went on extended trips. Cindy and I were honored when he and Lisa agreed to raise our daughter Kelly if anything happened to us. Now we will return the commitment if and when the need arises. It felt like the the world fell out of orbit when Regan passed but we have to carry on and honor his spirit. Regan, may you rest in peace and we'll help pick up the pieces.

Regan always had a few good (great) stories. None of them were as funny as the hot weather stress test of the Chevy Suburban (maybe Tahoe) that took place in Mexico and not Arizona! A cartel group thought they were a rival group and pulled them over at gun point to which they had to explain their way out. There is more to the story that well is very funny! Anyhow that group refused hot weather testing in Mexico ever again! I will miss you Regan! - Rob

My deepest condolences to Lisa and all of Regan's family. I worked and was good friends with Regan at the beginning of the 1900,s when we started our careers at GM and have many fond memories of him. May his soul rest in peace, and his family have the strength to overcome their great loss.

I remember working with Regan years ago in Mesa, AZ at GM's Desert Proving Ground. When I moved to AZ I bought the house next door to Regan and Lisa. Regan was like a big brother to me in my home away from home. He was an all-around great person. It saddened me to learn of his passing. I know that he will be greatly missed by this family and anyone who had the chance to get to know him.

It was a total shock to hear of Regan's passing. He was a good guy and I always enjoyed seeing him. I remember always running over to help him and Samantha set up their tent when we got together for camping. Even before then, it always brought a smile to my face whenever the occasion came for me to see the 3 Young brothers at family events. It wouldn't be possible to find 3 mellower guys than them. Regan will be sorely missed!
