I met Roseanna in 2003, and since our first meeting all I ever experienced from her was kindness and acceptance. My favorite memory of Roseanna is her coming to my job to visit with Lani to bring me some homemade desserts. I was so touched by her kindness and still remember that moment vividly. My deepest and most sincere condolences to her children and family. A beautiful life cut short, but will never be forgotten.

Roseanna - I can't believe you have left us. I always enjoyed your stopping by the SSO for a visit. Even when you were struggling with issues, you pushed through. God bless you and your family always and see you on the other side.
