My loving husband, he loved his family, his kids, his brothers and his friends. Christian touched hearts of many souls he will forever be missed a big part of our lives gone physically yet will always be with us living through us. He was smart, funny and so damn handsome. He was shy at first but if you really got to know him he'd talk your ear off. He loved being a rodbuster (Iron worker local 377 proud) but even more so he loved driving trucks. He was such a gifted young man always knew what he wanted and he always went for it gave his all in everything that he did. He always put himself last to give to others and that one thing I loved about him most, he would be able to tell when you weren't feeling okay and he always knew how to make you feel 110% better. He had the most contagious smile hints his nickname (smiley) he lit up ever room he walked into you will always hear positive things about this amazing man I'm so proud I could make him a father of two beautiful children Nevaeh Rose Lopez and Luciano Santana Lopez. Our time isn't over I will continue to honor your name no matter how long it takes until I see you again my love. Save my place
