## In Loving Memory of Elpidio Trasporto

Elpidio Trasporto, age 87, passed away peacefully, leaving behind a legacy of warmth, kindness, and quiet strength. He is survived by his devoted wife and beloved children, who will forever cherish the love and wisdom he shared so generously throughout his life.

Elpidio's gentle spirit touched everyone who knew him. His presence brought comfort, his laughter brought joy, and his unwavering love for his family was the foundation of his days.

He will be deeply missed, but his memory will continue to live on in the hearts of those who loved him.

May he rest in peace.

In Loving Memory.Our dad wasn't just an amazing father , he was an incredible human being. He is the man who showed us to be kind , compassionate and selfless. His love and strength continue to guide us. His memory is a source of comfort and inspiration. Even though he's gone, his spirit lives on in those he touched, he will always be a part of us.What i will missed most is that whenever i am on the phone with him is that I was giving him some mathematical and english exercises to keep his memory working coz those were his favorite subjects and both of us will do some hand exercises while he was on his bed sitting.Few hours before he died he was with my mom very clingy always wanting to be touched by my mom which we knew he loved very dearly. We knew that he died peacefully and happy. He did not let his loved ones to suffer more and for him to be at peace already. We knew that our family had taken care of him and showed much love at his very last breath so there is nothing to regret. With the guidance of my dad in heaven and God our Creator we will continue to live our life and accept everything positively."There are no goodbyes for us. Wherever you are, you will be in our hearts."Prayer:Eternal rest grant unto my dad's soul, O Lord, and let perpetual light shine upon him. May his soul through the mercy of God, Rest in Peace. Amen.
