“ My dearest friend Gina,I will miss everything about you and our 20+ years together. You taught me many things about being a wife and mother and always gave the best advice. Raising our babies together with the stress of being Navy wives was easier knowing we had eachother to lean on. I will most miss your sense of humor, making me crack up until I was in tears, our 2 hour phone conversations and all your crazy funny stories. I love you like a long lost sister and I will cherish you in my heart always.Rest in peace and watch over us all.Your friend, Rawnie “Watson” Thomas
