

## Ling Chandarsane

October 10, 1926 - August 2, 2020

It is with great sadness to Announce the passing of Ling Chandarsane, 93 years old, who was born on October 10th, 1926 in Vietnam.

She moved to Laos and eventually migrated to the USA in 1989

Joined the LDS church in 1992, and she became a US Citizen in 2009.

Ling spoke several languages with virtually no education including: Vietnamese, Lao, Thai, Cantonese and English.

She passed away on August 2nd, 2020 due to Heart Failure.

Ling is survived by: (2) Children in Laos and (4) Children Bay Area, (14) Grand Children and (6) Great Grandchildren.

Ling was well loved by her family and friends, she had a great outlook on life and always smiled and was a happy camper considering her health issues later in life!

Ling had renal failure, and had to undergo dialysis treatments for almost 15 years. She was a fighter, and had a strong desire to live and was actively involved with her family, and she really enjoyed being surrounded by her love ones. The average person on dialysis lives only 5 years, with the help of her doctors and her family support she surprised all of us with an amazing 15 year journey and ultimately did not die of kidney failure. Her cause of death was heart failure!

To ensure the health and safety of our community, we are following all guidelines set by local, state and CDC officials. If you are planning on attending a service, please contact the funeral home in advance, so that we can plan accordingly.
