

Tram Hoai Le

March 23, 1969 - May 26, 2021

Tram Hoai Le was born on March 23, 1969. She was the youngest daughter to the parents of Dinh Van Le and Oanh Thi Thieu. Tram immigrated from Vietnam in 1982 and settled in the United States in 1984. She spent the majority of her life in Alameda County, California where she worked as a hairstylist for over 30 years. She was very passionate about her work and loved making people feel beautiful. Anyone who talked to her knew immediately that she was a pure and honest person.

In 1996, Tram married her husband, Tung Le. Shortly after, she gave birth to her first son, Thomas Le, in November of 1997. Following that, she gave birth to her daughter, Trish Le, in June of 2000.

Tram was truly a hardworking and caring mother. All her life, she supported her husband and two children in every way possible. She worked so hard to make sure that her two children lived happy and fulfilling lives. As a mother, Tram was there for her family emotionally whenever they needed it and always strived to do more. She was generous and loved her family unconditionally.

On May 26, 2021, Tram Hoai Le passed away in the comfort of her own home surrounded by her family. Throughout her life, she made connections with many people and today she will be missed dearly by them all.

“ I want to express my sincerest condolences to Tram's family, in particular her lovely daughter, Trish, my bright and kind-hearted former third grade student, and also to the members of her close knit family I have been honored to have known. Along with the joy of her daughter as my student came the additional gift of Tram as a parent volunteer! Once a week, rain or shine, Tram shared her gentle caring and good humor with all the children. She lifted this teacher's heart. If one considers that Tram helped in the classrooms of her daughter, Trish and son, Thomas throughout their grade school years, she has touched the lives of hundreds of students, with her love and with her commitment to the importance of learning.

With boundless gratitude, peace and love,
Ann Boylan

“ Lina and I have only known Tram Le for about two years and in that short time she became a very dear friend not just someone who cut our hair. Her kindness was beyond reproach and she was always willing to help no matter how busy she got. She was a beautiful person inside and out and we shall miss her smile, her warmth, and her sense of humor immensely.

“ I have known Tram about 30 years and I feel so fortunate to have had her in my life. Tammy as I knew her was one of the kindest, sweetest and funniest people I knew. Over the 30 years of our friendship I got to know about her life in Vietnam, her family, and there vacations to Sparks. The funniest part was when she would get to laughing and I couldn't understand her but I would laugh right along with her. I am so sorry of her passing. I will miss her greatly. My condolences to her family and friends. Rest In Peace Tammy

“ Tammy, we are all in utter disbelief, you were taken so quickly. Your precious smile will always be something I will remember. Your love for your family, making sure they always came first. You were the most loving, caring and giving person. You took such very good care of all of your customers. We will all miss you so very much. Love to you always and to your family, my daughter (our little joke between us) from your adopted Mom. Rest in Peace and watch over your family. Cathy and family

“ Tammy, it is still hard for me to believe that you are gone. I always enjoyed our morning appointments and the many laughs we shared. I am so glad that I met you and your entire family way back when Trish and Thomas were in elementary school. I hope you know how many people loved you and how many people are missing you. Rest peacefully, my friend. And my deepest condolences to Thomas and Trish and the entire Le family.
